

Minnesota Board of Pharmacy Prescription Monitoring Program

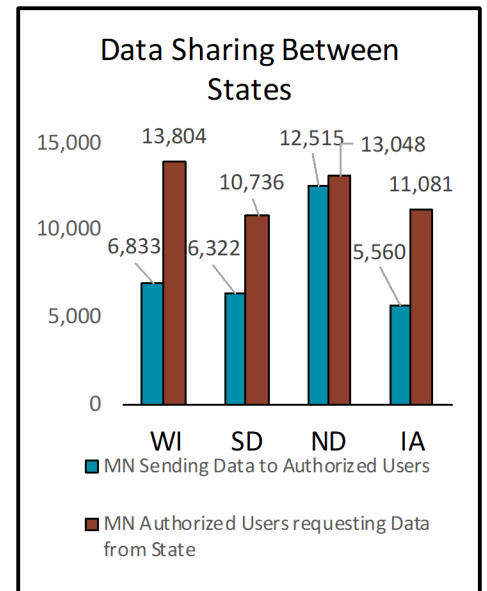

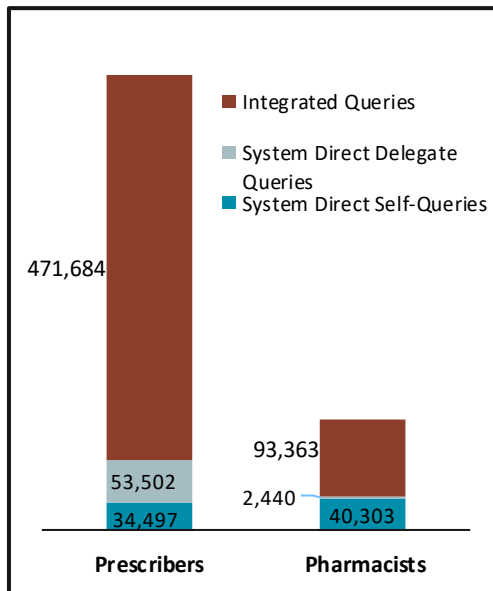

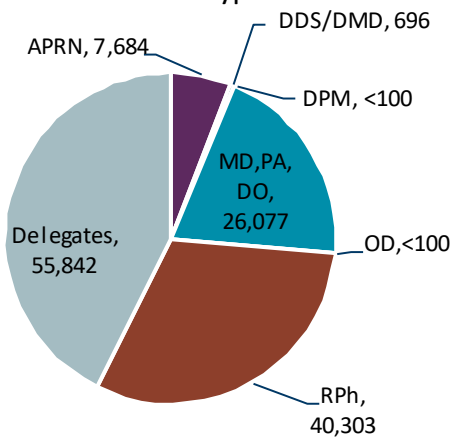

October 2018

Total Queries Oct. 2018*	Total Queries Oct. 2017	% Change
695,715	89,893	+673.9%

*Total queries include prescribers, pharmacists, delegates, and administrative users granted access according to MN Statutes 152.126. In September 2018 one state-wide pharmacy chain and one health system integrated a 1-click feature to view a MN PMP report from within their pharmacy dispensing system and electronic health record system. Previous months reflect system direct queries only.

Number of System Direct Queries by License Type
